

We have a special arrangement with **RedTie Marketing, Inc.** to make your wedding an online success.

You choose from one of our tailored packages. Each package ranges in function, feature and number of pages. Our base priced package provides a FREE and cost-effective means of going online, while our competitively priced package offers enhanced navigation, photo display, video, CMS*, and length of time the website will be published on the web.

English or Spanish for the Custom package.

The **Diamond Package** (\$FREE) provides for enhanced navigation and photo display. We allow for up to 3 customized photograph categories (i.e. Bridesmaids, Groomsmen, Ceremony, Reception, and Honeymoon). Employing category navigation provides for a more user-friendly experience and professional presentation. We have increased the total number of pages to 8 and photographs to 60 as well as the time (to 6 months) your website will be hosted. Also included is an online Guestbook, RSVP system, PayPal/Credit Card support (additional fees may be required), Events Calendar, and Travelers Guide.

The **Custom Package** (\$1000) provides for your own domain name (<http://www.redtiemarketing.com/>). Included is enhanced navigation and photo display, allowing customized photograph categories (i.e. Bridesmaids, Groomsmen, Ceremony, Reception, and Honeymoon) and Deluxe Photo Albums unique to your site(position and display). We have increased the total number of photographs to “unlimited” and pages to 24 as well as the time (to 24 months) your website will be hosted. Also included are a online Guestbook, RSVP system, Events Calendar, Gift Registry links, Quiz/Poll capabilities, Travelers Guide, links to vendors, unlimited favorite songs, PayPal/Credit Card support (additional fees may be required-from your bank) and a CD-ROM of your web site.

Additional Options

Additional Web Pages: \$100 per page or FREE with the Custom site.

FREE RedTie Content Management System (CMS): Values at \$400.00

Custom site hosting renewal: \$20.00 per year after your FREE period expires

The **RedTie Content Management System** provides a fast and easy way to manage your website’s content; text, multimedia, images, and interactive forms.
